In order for us to set up the account you must create an online account. If you do not have access to a computer we can do it for you. Once that is done we will be able to add the desired class for you. We will create an invoice and you will have to come into the gym to complete an authorization form. If you have applied and have not yet received confirmation you may be required to pay the full amount at time of registration.. If you are approved you will be refunded the amount you paid for the registration once we received the payment from the funding source. Any funds received may only be applied to the current year and may not be used to pay outstanding fees from previous sessions. Excess funds will remain as a credit on your child's account and may be used for the next session in the same year. Please note the funding may only be applied to the child who it was issued to. If for some reason you are approved and do not attend you are required to let us know. We will then refund the sport organization so that the money may be allocated to other children.
